What is Pastoral Care?

We pride ourselves on offering bespoke pastoral care to all children & families.

We work together with parents/carers, ensuring children have the opportunity to flourish.

Pastoral Care is about looking after children, enabling them to lead a fulfilling & balanced life at school & beyond; it's about showing children how to look after themselves & others;

it's about encouraging them to seek help, support and/or advice when they need it.

We believe that good pastoral care focuses on nurturing & listening to the individual needs of each child.

We strive to build trusting relationships with all our children & their families.

If there is anything you would like to discuss with the Pastoral team, please contact a member of the team named above on:
