

Breakfast for Year 6

Dear Parents/Carers

To give everyone the very best start to each day, we are inviting all the children in **Year 6** to start their day early and have breakfast here at school.

This will commence at 8:15am. prompt each day during **SAT's week (Monday 9th May to Thursday 12th May)**, and will take place in the large hall. There will be a bowl of cereal, a drink and toast available. There will be **no** cost involved.

If your child wishes to have breakfast, they will need to come into school via the main reception entrance. Staff will be available and will supervise them until 8:50am. as they **WILL NOT** be allowed to go back outside.

This is not compulsory and therefore if they do not require breakfast at school they will need to line up on the playground as usual.

Yours sincerely

Mrs. S. Lea
