Please complete the attached form – stating who can collect your child if necessary and give a password. If we have not had any message, we will be calling you to check.

Times of the School Day

Reception

8:45-8:55am: Drop off.
Gates will close after this time and your child will receive a late mark if they arrive after the gates close.

3:10pm: Pick up/end of the day

Dress for the Weather

Because the weather is so unpredictable, please make sure your child is dressed appropriately. We do go outside as part of our Early Years curriculum. Please remember to bring a pair of wellies with **YOUR CHILD'S NAME ON.**

They will be using them throughout the winter months as we use our outdoor learning on a daily basis.

Climbing Equipment/Outdoor Equipment/Benches

Staff will have completed safety checks on all equipment every morning before school starts and tidied the equipment away. For safety reasons, please **DO NOT** allow your children to use the climbing equipment before and after school. This also applies to other equipment such as bikes, the PE trolley and the picnic benches for both adults and children.

Phonics

We learn phonics through Jolly Phonics lessons. We will be learning individual sounds to begin with such as s, a, t, i, p, n. Once we have learned those 6 sounds the children will start to blend them to make words. Look out for dates later on in the term for phonic workshops which you will be able to attend. These workshops will support you with helping your child to read and write at home.

Maths

We use the White Rose maths scheme at Jesson's. This term we will be learning, matching, sorting, comparing size, mass and capacity. We will also look at patterns and numbers to 5.
